Re: United States v. Ruslan Maratovich Asainov  
Criminal Docket No. 19-402 (NGG)

Dear Ms. Kellman:

The government writes to memorialize discovery previously produced to you in person. At the arraignment in this matter on September 11, 2019, the government provided to you by hand delivery two CDs, Bates-stamped RMA-000071 and RMA-000072, containing video of post-arrest statements made by the defendant. Those two CDs constitute SENSITIVE DISCOVERY MATERIAL and are governed by the Stipulation and Order executed by the parties and entered by the Court (ECF No. 18). Please let us know if you have any technical difficulties with viewing the video contained on those CDs and, if you would like to receive the video in a different format, please provide us with a 1TB hard drive.

Very truly yours,

RICHARD P. DONOGHUE  
United States Attorney
